2. [REDACTED] Talked with Ed Braswell and was advised that Senator Stennis will be filing the report on our early retirement bill today. Presumably he will act as floor manager if Senator Saltonstall is unable to do so. At this point Braswell and Senator Stennis are pointing toward a target date of next Wednesday for the bill to come on the floor for vote.

3. [REDACTED] Talked with both Blandford and Braswell concerning the approval of our regulations under the retirement bill by the Chairmen and ranking minority members of the two Armed Services Committees. Both suggested we make available a draft of these regulations as soon as it was in a reasonably clean form. However, both were of the view that the adjournment of Congress did not pose a technical problem in connection with this approval although, of course, it may pose a practical problem.

4. [REDACTED] Talked with Mr. Rich in the office of Representative Samuel S. Stratton on the letter from the Congressman to the Agency of 15 September with regard to the apparent proposed separation of one [REDACTED]. I explained that this had been a misunderstanding and that there were no plans for separating [REDACTED]. I gave Mr. Rich some of the details which caused the misunderstanding. Mr. Rich was appreciative and asked if I would get them a brief note so they could close their record.
